July/August is a great time to get away from our winter weather. Join us if you want to experience the warmth and friendliness of the Indonesian country and its people. We have 14 ambassadors travelling from our club for this Journey, and are now able to add another two ambassadors; this may be a couple or two friends.

We fly from Auckland to Bali, where we spend two nights acclimatising to the weather and the time difference. The group then flies to Jakarta, where we will be met by our host club. Jakarta is an atmospheric old city with some good museums and dozens of swanky shopping malls. We spend five days here, and I am sure our hosts will be able to show us the interesting side of Jakarta. We then travel to the resort town of Bandung for a further two days.

The group continues travelling eastward to Yogyakarta where we will be hosted for the next week. It is central to the island's artistic and intellectual heritage. It is a premier tourist city and an ideal place to explore nearby attractions such as the important archaeological sites Borobudur and Parmanand.

From here we travel to Solo where we stay independently for two nights. For some this may be a chance to catch your breath and relax. Alternatively there are some great antique and Batik markets as well as several interesting tourist sites.

We continue travelling overland to reach our final destination Malang which is in East Java. This is an area established by the Dutch in the 18th century and it has leafy, colonial boulevards and a breezy climate and moves at a far slower pace than the other cities we have visited.

We then travel back to Bali, where you can choose to fly home directly or stay with the group at Sunur Beach Resort for shopping, sightseeing or just R&R in the warm weather.

The Coordinator would be delighted to hear from interested parties wishing to join our Journey. Once accepted to join the group you would be required to purchase your air ticket and pay the club \$600 deposit. The balance then is to be paid at \$500 a month until fully paid.

The FF Southern Sydney club is excited at the opportunity of a triple Journey in August 2019 to Canada and the east coast of the USA.

If you decide to join us you will have the chance to see diverse parts of Canada, starting in Edmonton near the beautiful Canadian Rocky Mountains, which you could visit en route if you so desired. Then we fly to the central province of Manitoba near Lake Winnipeg. The Canadian countryside and its people are a joy to experience.

After a five-day individual break where everyone will be “doing their own thing,” we will gather in Harrisburg, Pennsylvania, USA. This area is rife with the history of the American Civil War and has Amish and Mennonite communities which we will visit. We also have the chance to enjoy Hershey chocolates amongst many other cultural and culinary pleasures.

Some of us will be visiting nearby Washington and possibly staying in New York either during the break or after the Journeys have been completed. The choice is yours!

Please contact Teresa Whitters if you are interested in these Journeys or have any questions. We currently have space for 7 ambassadors and we'd love to meet and travel with you.

The host clubs have advised us that the cost of each Journey will be approximately C\$200/US\$200, although this may vary according to the final activity program. These costs exclude the airfares to and from Australia and the internal flights within North America.

We have been lucky to be allocated this special Journey and Western Australia and South Africa. Will you join us?

Our first hosting is with FF Cape of Good Hope. Most members of the club live in the southern suburbs of Cape Town about 24 km from the city centre. Their Mediterranean climate will be comfortable during our visit. Most importantly, we will be able to learn about them, their culture, and the way they live in this nation.

We then move east to FF Perth on the Swan River. There we will enjoy visiting old Perth at the Perth Mint (early gold mining), the Barrack Street Jetty precinct and the Bell Tower (where we may take part in the bit of bell ringing). No Journey is complete without a visit to beautiful Kings Park, where we can take in the views of the city and wander through lush lawns and natural bushland and do the tree top walk. We will spend a day in the old port city of Fremantle to check out the old buildings and museums constructed by the early convicts. Plus shop at the markets and enjoy fish and chips for lunch at Fisherman's Wharf before enjoying a leisurely river cruise back to Perth city.

We then move south to our final hosting at FF Albany (population 34,000) situated on the south coast of Western Australia, which is approximately 400 kms south of the capital city of Perth. The main industries of the area are tourism, fishing (whaling), agriculture (woollen mills), forestry and wineries. The Port of Albany is steeped in history because it was the last view of Australia thousands of soldiers saw before sailing off to Europe and Gallipoli. The area has many National Parks and Reserves including Natural Bridge, the Gap, Stirling Range and Porongorup National Parks with beautiful flowers in springtime.

Above all, let's enjoy the company of our club members who will happily invite you into their homes - share with us group dinner hosting, barbecues and picnics.
